“If things are false... its doesn't need to hide or remove from public sources or medias and if else means things are not false”. We all aware and afraid highly since long period of time from October 2019 to till date with COVID-19 Virus or oh sorry according to WHO Novel Corona Virus. Why I said like this because WHO I don't care about safety measure's or not but I am guaranteed sure about to prefix the word “Novel” before to speak, write or interact abbot Corona Viruses. Always there first emphasis on word “Novel” instead of prevention and solutions it is because by mistake people don't start to think is that COVID-19 Virus “Manipulated”? In Wuhan Laboratory I already discussed several possibilities in my previous communications and some possible measures go with my references I mentioned at the bottom section of this letter. Now what is my point of course not mine but of several sensitive thinkers like me is COVID-19 is Novel or Manipulated? And the answer is “They researched Novel Corona Virus and Manipulated in Laboratory to create most danger versions of it Oh sorry Strain or Variant”. My friend its 2021 Science and Technology reaches to their optimum explore universe, planning to civilize on Mars and others habitat planets and stars but since last two years shamelessly unable to control this virus even guess prescriptions and vaccination efficacy uncertain till date. What you think is that real situation or fake? Please start to think very seriously and rise up world civilization as whole voice to protect humanity from some selfish, shameless and animal-like people who planned this virus outbreak since last 20 years after they outbreak HIV Virus and mislead towards Sexual activities and no one ask for sound proof and evidences. But now people asking and it's our rights. Now I would like give three strong evidences COVID-19 Virus outbreak was and is intentionally and long term planned before to implement it from past to presents lies in these three books. Please read pages number of Books 1 and 2 and complete book 3

1. “The Eyes of Darkness” by Author Dean Koontz as please read full pages 181-188 of the book.
2. Now I would like to mention second reference it's more shocking from above one from the Book “End of Days” by Sylvia Browne Page number 191.
3. Plague of Corruption- Restoring Faith in the Promise of Science by Dr. Jury Mikovits.

The third book also followed by 30 minutes short interview film of Dr. Jury Mikovits named “Plan Demic” or “Plan Pandemics”. I really felt proud about her who exposed mask from Government and other Medical, Microbiology, Virology & Life Sciences

institutions, bodies and organization but perhaps her all uploaded videos either block or removed from social Medias. Now you can understand why I wrote my first line like as in this letter. Hence wherever and whenever those people Prefix and speak or write word “Novel” Corona Virus I instead of it with replacement “Manipulated” Corona Virus. Why because WHO and governments handling it very diplomatically and slow in prevention measures. WHO only good for lectures and announcements on COVID-19 or China-Virus or better to say Wuhan-19 Virus outbreak but unfortunately they are good for nothing only long lecture to wear mask. Actually they are not wearing Mask on our faces but on our brains with misinformation, malfunctioning and misleading. Please think very seriously if one virus only has single possibility to enter from one human to another with physical touches, contacts as human to human transmission tell me how much chances it has to spread out in complete world even when people taking high safety measures like Social Distance, Regular Hand Wash, Immunity Medicine, Wearing Mask and hand sanitizers etc. with WHO suggested and government gifted Lockdowns. As they stated virus enter in one lady body from Bat than from that lady to entire world so rapidly very foolishly. Even that lady unable to contact citizens of Wuhan itself if day and night for a year or years moving completely, so how can single lady responsible for this virus transmission and outbreak!? Might be whole world citizens meet to her after she got COVID infected in a single day and became a cause of COVID-19. The intention is very clear killing innocent human not with Physical Weapon but with Virtual Biological Weapon CORONA VIRUS to minimize and control world population with COVID outbreak, might be they think there is No God for his mankind welfare and protection and second intension to destroy “Informal Economy” of world with lockdown with all transaction virtually only in figures instead of physical paper money with collapse small businesses, daily wages, small shops, enterprises and all belong to informal economy with enhancing “Formal Economy” like big businesses, big virtual business, automatic and artificial intelligence, robotics oriented business which are control by “Governments and World Bank”. They said “Wave” I said next Manipulated laboratory Version of Virus. Why because you might be don't how that Corona Virus is Intelligent and honest to WHO and Governments and it schedule itself according to government's norms, protocols, rules of lockdown and according to their statement. For example in First Wave virus attack on Old Age group, now in Second Wave virus attack on Middle age population and it is height of shamelessness they stated Third Wave will attack on Children's

which is clear Global Agenda to reducing population from all ages and play with humanity. The clear example is Italy which was one the high population country with old age people and results, facts and figures of death rate in Italy in 2020 we all knew very well. Now if we talking about medicine, hospital treatment and vaccination of COVID became biggest business with high revenues, Why? Because it's a "Business of Fear". My friends more than of Vaccines world needs "**Anti-COVID-19 Virus**" outbreak to stop this Pandemic or Plandemic. Please read my both articles given in reference section to understand depth of this letter why and what's a reason to write this letter. "There is not only Corona Symptoms but all others governments technology implementation test and trials hazardous for human health all those symptoms already covered on the name of COVID in 2019 what they doing right now to mislead these are the effect of Corona not

technology trial hazards like "5G testing and Radiation" only for all symptoms, bad health's and death single name given COVID. It's also seems to be this Corona virus love WHO and Governments and fixed its meeting regularly with them and inform them their next action and activity that's why they issued statement ready for Third Wave and harmful for children's in advance even declared with time tenure. So please seriously THINK ABOUT IT [1, 2].
